To Whom It May Concern,

I am writing to formally invite my close friend and former colleague, **Ms. Nazma Kamal** (Passport No. B00052964), a citizen of Bangladesh, to visit me in Australia. I am an Australian citizen and have been residing here since 2013.

The purpose of her visit is to reunite as friends and colleagues, spend quality time together, and explore Melbourne's culture, attractions, and surroundings. While I have visited Bangladesh multiple times, Nazma has never been to Australia, and this trip would be a wonderful opportunity for her to experience the country firsthand.

She has taken annual leave from her job at **Synovia Pharma PLC (formerly Sanofi Aventis Bangladesh Limited)**, where she has been working since 1992 as **Manager, Coordination, CEO's Office (Administration Dept.)**. She has sufficient savings to fund her visit independently and does not require financial assistance from me.

Nazma plans to arrive in Australia on **March 25, 2025**, and stay until **April 10, 2025**. During her visit, she will be staying with me at my **spacious three -bedroom residence**, which can comfortably accommodate guests.

For your reference, I have enclosed the following supporting document:

- A copy of my Australian Citizenship certificate

I kindly request you to consider her application for an Australian tourist visa favorably. If you require any further information, please do not hesitate to contact me.

Best regards,
